

## Open Doors Foundation, Medgidia Romania report. Oct. 2013

Jesus said, "I have come that you may have life and that you may have it more abundantly."

Yes Jesus is still giving eternal life to them that call on Him and He is still the healer of broken hearts and sick bodies.

Four years ago a grandfather came to our center asking for help to put his grandson into kindergarten. His daughter had two children that she left with him and he was singularly raising these boys. Beti helped him with the paper work and spoke to the director of the school and was able to get the child registered.

All was seemingly going well but something was very wrong with Ion's health. A secretary in the city hall spoke to Beti about Ion's concerns as he was told that

he might only live for four months. He had advanced lung cancer and was very concerned as to who was going to care for his grandsons.

We took the boys along with others to a summer camp at a Christian boy's home. The staff fell in love with the grandsons and one worker and her husband wanted to adopt them but that wasn't possible. We then asked if the boys could live in the home and they were happy to take them.

We spoke with Ion about the Lord and he agreed to have us pray with him for healing. Ion started attending the local church with us and then; even if we were away he attended by himself. The doctors were amazed at his improvement and a scan showed that there was only a scar left in his lung. His constant severe coughing and heavy sweating had greatly subsided and he put on weight. This past summer he expressed a desire to follow the Lord in water baptism and a few weeks ago he was baptized upon the confession of his faith in Jesus. When he was asked what would happen to him when he dies, he replied. "My body will go into the ground and my soul will go to heaven."

Ion still has some health issues that we are trusting to be completely healed. One thing is for sure; the Lord has extended his life so that Ion would be able to have an abundant life here and now as well as eternal life. All praise to the Lord who in His love took our sins and diseases upon Himself. We rejoice with the angels that a sinner has come home into the sheepfold of the Good Shepherd.
